1.0 INTRODUCTION

1.1 What is ASSIST Portal?

ASSIST Portal is a self-service portal, a newly introduced medium of payment where contributing employers are able to submit Contribution Schedule and subsequently perform contribution payment via online starting from 1 January 2018.

1.2 What employers can do through the ASSIST Portal

An online medium where employers are able to:

1.2.1 Generate ACR (Acknowledgement Contribution Received) for Akta 4 and ECR (Employer Contribution Received) for Akta 800.

a. The ACR and ECR can be generated respectively, by completing the Contribution Schedule provided in the ASSIST portal. The ACR and ECR serves as a reference when an employer makes a contribution payment, for Akta 4 and Akta 800 respectively, using the ASSIST portal, a collection bank or at any PERKESO office.

b. Please be mindful that without the ACR (or ECR for EIS), no contribution payment can be made as the ACR (or ECR for EIS) acts to reconcile between the Contribution Schedule and the Contribution Payment made.

c. The submission of Contribution Schedule via ASSIST portal and contribution payment with ACR (or ECR for EIS) will be effective from January 2018 onwards. Therefore, employers are not allowed to do physical submission of Contribution Schedule at any collection bank or PERKESO office from that date onwards.

Please refer Section 4.1 to 4.3, for further details
1.2.2 Update profile: Employer and employees (existing & new)

Every employer registered with PERKESO are able to create and maintain their employer profile, such as the employer name, address, contact information/person and the profile of their employees.

With the ASSIST portal, employers are able to update their profile if there are any changes to the name of company (if required), address, contact information. Beside that employers are also allowed to add new employee records and updating the records when an employee has resigned.

*Please refer Section 3.3 for further details*

1.2.3 Make Contribution submission and payments (including arrears and short-pay)

Contribution submission is where an employer submits information of the employees who are eligible to contribute on monthly basis. The rate of contribution is subject to their salary based on PERKESO’s First and Second Schedule of Contribution. The submission of information can be made via text-files in the form of softcopy (CD or pendrive).

There are two options in making monthly contribution payments as described below:

Option 1: Employer enters data / information:
- Based on salary entered, the contribution amount is generated
- They no longer need to refer to Schedule 1 as the amount is automatically calculated and displayed.
- An ACR (or ECR for EIS) will then be generated by ASSIST.
- Proceed to perform online payment upon ACR (or ECR for EIS) generation.

Option 2: Upload contribution Text File
- ACR (or ECR for EIS) will be generated
- Proceed to online payment upon ACR (or ECR for EIS) generation.

Besides monthly contribution, there are also cases where an employer needs to make an arrears payment and short-pay of contribution. Arrears is incurred when an employer fails to make monthly contributions on time thus making late payments for that particular month or previous months. Whereas short-payment is incurred when there is a deficit of payment or in other words, when the payment falls short of the actual contribution rate required.

Through the ASSIST portal, employers are now able to make monthly contributions, arrears or short-pay online.

*Please refer Section 4.1 to 4.4 and 5.1 to 5.2, for further details*

1.2.4 Paying FCLB and making appeal against FCLB

Faedah Caruman Lewat Bayar (FCLB) is a form of liability imposed on employers who failed to make monthly contribution on time or delays the contribution payment required to PERKESO. The rate of FCLB currently is fixed at 6% per annum for each day upon passing the stipulated timeline.

However, employers are allowed to appeal against FCLB imposed on them. Through ASSIST portal, employers are now able to appeal against FCLB.

*Please refer Section 4.5 and 5.1 to 5.2 for further details*
1.2.5 Paying Compound

Any employer that has contravened certain provisions under the Social Security Act (Akta Keselamatan Sosial Pekerja) such as failure to register as an employer or fails to make contribution for employees under payroll are subject to be served a compound notice.

Please refer Section 5.1 to 5.2 for further detail

All the above (i.e 1.2.1 to 1.2.5) which are previously done at PERKESO branch counters are now available online to employers anytime, anywhere at their convenience. Employers no longer need to queue at the PERKESO branch counters.

1.3 The type of records that can be accessed by employers via ASSIST Portal are:

1. Employer Record
   • view & update profile
